Criteria and weighting	Level	Comments:
Knowledge and Understanding weighted 25%, Are the major points identified? Are the details presented clearly?	Outstanding	Outstanding knowledge of the subject discussed. There is a clear and organic discussion taking part through the presentation, which has a strong theoretical application as well as practical and real world perspectives. An outstanding outcome
Criticality weighted at 25%, Is there a critical discussion/analysis of your methodology/design?	Excellent	Excellent critical observations throughout the discussion, looking at the strengths and limitations of the research engaged with. Continue to develop all of your research around this subject from very recent research as gaining that 'in the moment' snap shot of what is going on around your topic would build well into a Capstone project if you intend to take this subject forward.
Structure and Presentation weighted at 10%: Is the presentation well organised?	Excellent	The structure and presentation of the assignment was completed to an excellent standard. The presentation was logical and chronological, with all evidence and research broken down. The audio was a little quick in parts, but the subtitles also helped to navigate the discussion.
Presentation and Communication Skills weighted at 30%: Is the presentation clearly introduced and concluded? Is the presentation well-paced and timed? Is the information presented clearly and concisely? Is the presentation style lively, fluent and engaging?	Excellent	As discussed, some of the audio was a little quick however, the presentation was clear, and the information was effective and varied drawing through points of discussion that specifically impacted the subject you were discussing. An excellent outcome.

Overall		
<p>Positives:</p> <ul style="list-style-type: none"> • Outstanding and excellent outcomes • The presentation was effectively underpinned by varied research • The presentation eloquently discussed the topics being examined for summative 		
<p>Points for development:</p> <ul style="list-style-type: none"> • Continue to research from recent research resources where available. Should you choose to take this project forward there will be lots of opportunities for effective primary research to be gained for the Capstone Module • Continue with your current approach for future summative.
